- e-Mails sent to the taxpayers in case of failure in Aadhaar authentication have been enhanced to include following information:

i)   Entity's Name

ii)   Auth response code (for online Transaction- date and time for Aadhaar Failure)

iii) Last four digits of Aadhaar

iv)   Purpose of authentication and reasons of authentication failure such as Suspended/ Cancelled Aadhaar or Biometric /Aadhaar Locking as per UIDAI guidelines.

- Further "Resend the authentication link" for validating Aadhaar authentication has been provided to the existing taxpayers in "**My Profile**" section, for cases where the users have already generated the Aadhaar Authentication link but didn't receive the link, deleted it by mistake or did not act upon it.
