

Allowing entry of suspended GSTINs as recipients in Form GSTR 1/IFF (B2B Tables)

- The system used to return an error message if a supplier entered GSTIN of a suspended taxpayer in the B2B, B2BA, CDNR and CDNRA tables of Form GSTR-1/IFF. This validation has now been removed and taxpayer would be able to enter a suspended GSTIN as a recipient of taxable supplies in respective tables of Form GSTR-1/IFF.
