Similar notification has been issued under the West Bengal State GST Act, 2017.

2.4 The relevant entries under Notification No. 12/2017 have been reproduced below:

--	--	-------------------

Explanation.- For the purposes of this notification,

(iv) For removal of doubts, it is clarified that the Central and State Educational Boards shall be treated as Educational Institution for the limited purpose of providing services by way of conduct of examination to the students.

2.5 The definition of 'educational institution' as provided under Notification No. 12/2017 is reproduced below.

2(y) "educational institution" means an institution providing services by way of,

- (i) pre-school education and education up to higher secondary school or equivalent;
- (ii) education as a part of a curriculum for obtaining a qualification recognised by any law for the time being in force;
- (iii) education as a part of an approved vocational education course,

2.6 Thus, from the above definition, it is understood that any institution, which provides education for obtaining a qualification recognized by any law is treated as an educational institution. Further, any service provided relating to admission to, or conduct of examination by, such institution is eligible for exemption.

2.7 The applicant further submits that (i) in case of Universities, the Universities impart education and the affiliated colleges facilitate the universities in imparting the education. Universities are established by an Act of the Parliament and award degrees and diplomas recognized by law to the qualifying students. (ii) The colleges do not prepare curriculum, do not conduct examinations and do not grant certificates to the students. The Universities maintain all the details relating to a student, conduct examinations and grant certificates to the students. (iii) The Universities are imparting education by formulation of courses, prescription of syllabus, academic schedule preparation, conducting examinations, evaluation and award of degrees/ qualifications recognized by law. (iv) The term "education" is very wide and it would include imparting of study, learning, conduct of examination and grant of certificates or degrees to the students by the education boards and universities including open universities.

2.8 The applicant, in support of his argument that exemption as outlined in the above-referred notification will be applicable to the instant case, has submitted copy of an agreement with Alipurduar University in course of hearing. The applicant has also placed reliance on the following case laws:

(I) Hon'ble Supreme Court in the case of Gujarat University vs. Krishna Ranganath Mudholkar [AIR 1963 SC 703], wherein it was held that the expression 'education' is of wide import and includes all matters relating to imparting and controlling education.

(II) In the case of Nidhi Kaim vs. State of M.P. [2016 (7) SCC 615], the Supreme Court held that the examination is always considered as one of the major means to assess and evaluate candidate's skills and knowledge be it a school test, university examination, professional entrance examination or any other examination. Candidate's fitness for his further assignment, whether in studies or employment is, therefore, judged on the basis of his performance in the examination. It is for this reason, the examination is considered as a common tool around which the entire education system revolves.

(III) Hon'ble Gujarat High Court in the case of Sahitya Mudranalaya Private Limited vs. Additional Director General [2021 (46) GSTL 245 (Guj.)] has inter alia dealt with the issue as to whether the state education board, state technological university and state council of examination are educational institutes or not.

(IV) Hon'ble Madras High Court in the case of Madurai Kamaraj University Vs. Joint Commissioner, Office of the Commissioner of GST and Central Excise, Madurai [2021-VIL-639- MAD ST] held that holding or conducting an examination is primarily a job of the

university and the colleges affiliated to the university are only facilitators. Therefore, examinations are not conducted directly by the colleges, it is being conducted by the university, but the facilitator is the college. Therefore, the word "conduct of examination by such institution" means, conduct of examination by the university and the college and not by the college alone. The examination is the examination of the university, for which, facilitation is given by the college, wherein the examinations are conducted and ultimately, valuation is to be done by the university and marks are awarded and degree is conferred by the university. Therefore, it is the university, where, the facilitator is the college, where, the examination is being taken place and therefore, the word "conduct of examination", cannot have such a narrow and pedantic interpretation.

2.9 The applicant also places reliance on the following cases wherein it was held that the provision of service of scanning of OMR sheets, Bar-codes, printing of marks, memos, certificates, etc. to the educational boards and universities are covered under SI.No. 66(b)(iv) of the Notification No. 12/2017 and therefore, eligible for exemption from payment of GST.

- Orient Press Limited, AAR, Maharashtra (GST/ARA/89/2018-19/B-23 dated 27/02/2019]
- Manali Enterprise, AAR, West Bengal [18/WBAAR/18-19 dated 28/09/2018]
- Hitech Print Systems Ltd AAR, Andhra Pradesh [24/AP/GST/2020 dated 15/12/2020]
- Management and Computer Consultants, AAR, West Bengal (08/WBAAR/2021-22 dated 13/09/2021)

2.10 The applicant thus submits that the services provided by him should be covered under the entry serial number 66(b)(iv) of the Notification No. 12/2017-Central Tax (Rate) dated 28/06/2017/ West Bengal State Notification No. 1136 F.T. dated 28.06.2017, as amended, and shall be exempted from payment of tax under the GST Act.

### 3. Submission of the Revenue

3.1 The officer concerned from the revenue has stated that the query raised by the applicant whether GST exemption is available on on-line and off-line printing of Pre-examination items; designing, developing and managing Web based applications and related services for conducting online Examination; and post-examination services of scanning and processing of examination results is in affirmative under Sl. No. 66 of Notification No. 12/2017. A similar matter has been dealt with same decision in The Advance Ruling Authority of Telengana in the case of M/s. KL Hitech Secure Print Limited in their Order No. 10/2018, A.R. Com/13/2018 dated 26/07/2018.

### 4. Observations & Findings of the Authority

4.1 We have gone through the records of the issue as well as submissions made by the authorised representative of the applicant during the course of personal hearing. We have also considered the submission made by the officer concerned from the Revenue.

4.2 The issue involved in the instant case is to decide whether the supply of services as detailed by the applicant can be treated as services to an educational institution relating to conduct of examination by such institution so as to get covered under serial number 66 of the Notification No.12/2017-Central Tax (Rate) dated 28.06.2017 as amended by Notification No.02/2018-Central Tax ( Rate) dated 25.01.2018 [West Bengal State Notification No. 1136 F.T. dated 28.06.2017 and Notification No. 130 F.T. dated 25.01.2018 respectively].

4.3 We find that the said Notification also provides definition for 'educational institution' which reads as follows:

*"educational institution" means an institution providing services by way of,—*

- (i) *pre-school education and education up to higher secondary school or equivalent;*
- (ii) ***education as a part of a curriculum for obtaining a qualification recognised by any law for the time being in force;***
- (iii) *education as a part of an approved vocational education course;*

4.4 Further, following explanation has been inserted vide Notification No.14/2018-Central Tax (Rate) dated 26.07.2018 [corresponding West Bengal State Notification No. 1030 F.T. dated 27.07.2018]:

*“(iv) For removal of doubts, it is clarified that the Central and State Educational Boards shall be treated as Educational Institution for the limited purpose of providing services by way of conduct of examination to the students.”*

4.5 Furthermore, Circular No. 151/07/2021-GST dated 17.06.2021 (CBIC-190354/36/2021-TRU Section-CBEC) has been issued for the purpose of clarification regarding GST on supply of various services by Central and State Board (such as National Board of Examination) wherein it has been stated that “Central and State Educational Boards” are treated as Educational Institution for the limited purpose of providing services by way of conduct of examination to the students. Therefore, NBE is an ‘Educational Institution’ in so far as it provides services by way of conduct of examination, including any entrance examination, to the students.

Para 2 of the said circular reads as follows:

*Illustratively*, NBE provides services of conducting entrance examinations for admission to courses including Diplomat National Board (DNB) and Fellow of National Board (FNB), prescribes courses and curricula for PG medical studies, holds examinations and grant degrees, diplomas and other academic distinctions. It carries out all functions as are normally carried out by central or state educational boards and is thus a central educational board.

4.6 It is noticed from the documents submitted that the applicant has been awarded agreement/work orders by different universities namely West Bengal State University, University of North Bengal, Cooch Behar Panchanan Barma University and Alipurduar University. There is no dispute that all the universities as referred above are regarded as ‘educational institution’.

4.7 We now take the issue to decide whether the activities undertaken by the applicant against agreement/work orders issued to him shall be treated as services relating to conduct of examination or not. The process of conducting examination includes pre-examination works, the examination itself and post-examination works. It has already been stated that the applicant has undertaken activities like Online and offline printing of Pre-examination items such as Registration Certificate, Examination Enrolment Forms, Admit Cards, Award List for marks entry and other Pre-examination related services, Designing, Developing and managing Web based applications and related services for conducting online Examination, Post examination services of Scanning and Processing of Examination Results, generation and printing of Mark Sheets (Online and offline), Printing of Pass certificates and other related Examination activities for Universities. The said activities, as we opine, can be treated as services relating to conduct of examination.

4.8 For reasons as discussed above, we are of the view that supply of services details of which are submitted by the applicant in the course of hearing shall get covered under serial number 66 of the Notification No. 12/2017- Central Tax (Rate) dated 28th June, 2017/ West Bengal State Notification No. 1136 F.T. dated 28.06.2017, as amended and shall therefore, be exempted from payment of tax under the GST Act.

In view of the above discussions, we rule as under:

## RULING

Question: Whether GST exemption is available to the applicant in respect of the following pre and post Examination services being provided to the Educational Boards and Universities?

- (i) Online and offline printing of Pre-Examination items such as Registration Certificate, Examination Enrollment Forms, Admit Cards, Award List for marks entry and other Pre examination related services to Educational Boards, Council and Universities.
- (ii) Designing, Developing and managing Web based applications and related services for conducting online Examination of Educational Boards, Council and Universities.
- (iii) Post examination services of Scanning and Processing of Examination Results, generation and printing of Mark Sheets (Online and offline), Printing of Pass certificates and other related Examination activities for Educational Boards, Council and Universities.

Answer: Services provided by the applicant to the universities in respect of conduct of examination (both pre and post examination) is exempted from payment of tax under the GST Act vide serial number 66 of Notification No. 12/2017- Central Tax (Rate) dated 28th June, 2017 and West Bengal State Notification No. 1136 F.T. dated 28.06.2017.
