

GOVERNMENT OF WEST BENGAL DIRECTORATE OF COMMERCIAL TAXES

SHOW-CAUSE NOTICE TO RETURN DEFAULTERS

It is decided that Registration Certificates of selected dealers who have failed to submit online returns under the Acts administered by the Directorate may be cancelled centrally by the Directorate.

Show cause notices as per legal provisions had once been issued to them electronically on 26/12/13 and 03/01/14. A second reminder show cause notices to the dealers who still default in submitting online returns is being issued electronically fixing the dates of hearing not beyond 31/03/2014. The list of such dealers is available at www.wbcomtax.gov.in/cancellable_defaulter_dealers.html.

All such selected defaulting dealers as per list are requested to check the website and their e-mails urgently. The onus of non-delivery of electronically issued notices due to wrong e-mail address lies with the dealer concerned.

In response to the show cause notices, the dealers should, either submit online returns or appear before the respective assessing authorities, latest by 31/03/2014, to show cause as to why their Registrations under the Acts shall not be cancelled.
